

Sarasota Siestaaaaah!

2003 Hometown Owners' Rally

September 19-21

We are proud to announce the 4th Annual Hometown Owners' Rally in Sarasota, Florida. Get ready to relax!

Prepare yourself for three days of relaxation and fun in the sun on Friday, Saturday & Sunday, September 19, 20 & 21.

Once again we are looking forward to having Donzi owners from all over the country get together for the time of their lives. The Hyatt Resort in Sarasota has once again given us reduced rates for the event. We have also secured a number of Sponsors who see the importance of being involved with Donzi owners. They understand the passion and dedication you have to your product!

Our major sponsors, Donzi Marine, MerCruiser and Featherlite Luxury Coaches, are joined by three area Donzi dealers – RV World of Nokomis, Sportboats Sales, and John's Pass Marina – to ensure that this event is all it can be.

You will be asked to fill out a Registration Form which gives complete details on the entire event, allows you to name all people attending the event and the costs per individual. You will also have to separately call the Hyatt and book your rooms.

On that note, we hope that all can make it!! Please contact the Donzi owners that you know in your area, tell your friends and family, and get ready to Siestaaaaah in Sarasota!
